**** About finding missing coworkers**

We are scrambling to connect as many folks as we can find for this moderately epic event. At the bottom of this email are the people we either have an email from who haven't let us know we've reached them, or folks we don't have any contact with at all. If you think you can find them please reach out to them (Maybe forward this email) so they can get connected with us. Do you know them from LinkedIn or facebook??

This is our editable excel spreadsheet of people.. <https://1drv.ms/x/s!AqHN - HnYV7piL8EyEV1Xzani6o9Sg>)

Feel free to go in and enter when you started and departed from the Computer Center. Update other columns if you have new info for yourself or contact info for others.

**** About our facebook page**

If you are not already a member of our facebook page... come join us at <https://www.facebook.com/groups/496946723843498>)

We encourage you to post a recent photo of family and friends and check out the oldies but goodies we have up there. It will help us prep for the 22nd. You can also post any photos from your Crusade days... you can post whatever you want. It will be fun to catch up.

**** About our zoom call on the 22nd**

1) When you enter the Zoom meeting, please try to enter your first and last name as your name on your zoom window.. You get one chance when your first join zoom, once it's up there it's easy to change by clicking on the smaller picture of yourself. Then click on the ellipses ... and then click on rename. It helps us quickly know who you are when you are talking.

2) The amount of people that show will somewhat determine the way we organize our time, but consider being able to share

- * Where are you today (Physically living and what you're up to.)
 - * If/Where you fellowship (It's ok if you don't we'll just put you on the Crusade Prayer list (kidding))
 - * Great/or favorite memory from you time at Crusade
- If there's time we will delve into
- * Tell us about your family, kids, friends, grandkids, nieces, nephews. (all things family just like Eric McCallister would have wanted)
 - * Your journey to get to where you are... jobs you've had, Personal highs and lows through your life
 - * Your favorite job since Crusade
 - * Your spiritual journey: how you've changed/grown since your Crusade days.
 - * And whatever else comes up.
- We are committed to get around to everybody.. however if a fun rabbit hole pops up and we get talking about a shared memory we will go that way for a bit for sure.

3 Zoom Thoughts/Instructions

- 1) As a matter of protocol we will have everybody on mute at the start of the meeting. You can switch to unmuted by clicking on the microphone icon, or you can temporarily unmute yourself by holding down the spacebar when you want to be heard and then releasing it when you're done, and you'll be back to muted.
- 2) We find it helpful to click on the View Icon (usually in the upper right of the Zoom screen) and click on "Speaker". That causes the person speaking to gain focus (Fullscreen) so you can better follow their talking.
- 3) If you are not familiar with a Zoom meeting Steve has graciously agreed to be on line 30 minutes before the scheduled time to help coach you through a little bit of training.

Have a great few days until we meet digital face to digital face.

*****People that I don't show have responded yet.. If you know em, Give em a nudge.. Some I have email addresses for but I don't know if they are accurate.. at least they don't bounce back.**
